

Emergency accommodation

St Basils 'Emergency Accommodation' is also known as short stay or 'Direct Access' where a young person in housing crisis can stay for a few weeks (up to 28 days) until we can assess the situation with them and then find the appropriate housing options for them.

We have two Direct Access hostels, one for men only (Milner Court) and one for Women only (Yardley). Click on the links below for more information.

You can also ask at your Birmingham Neighbourhood Office for an appointment with St Basils through the 'Home Options' service.
