

## Gillott Road

### Edgbaston

We have two Gillott Road supported accommodation projects. One provides accommodation in self-contained bed-sits for 6 single young people the other for 11 young people including families. Staff are based on one site but provide support to both projects and is staffed Monday to Friday, 9am until 5pm. Supported accommodation is provided to young people aged 16-25 for a mutually agreed period. The larger site also has a training room and other facilities for educational support.

Our aim is to enable tenants to feel at home as soon as they step through the front door. We try to involve their views and aspirations in all our planning.

One young resident said; "The project has a warm, inviting and modern feel to it, that the residents can feel proud to call their home."

Another said: "The open friendliness of the staff comes like a breath of fresh air especially when dealing with our needs and issues"

---

All residents will have access to St Basils support services including Learning Skills and Work service , Prevention Services and Resettlement and Floating Support services.
