

Trentham House (Mother & Baby)

Acocks Green

We provide accommodation and support to 17 young mothers with babies, or pregnant young women to enable them to cope with the first time experience of motherhood.

Trentham House has 10 rooms with shared kitchens and bathrooms plus 7 bedsits with own kitchen, shared bathrooms, lounge and laundry. The house is fully furnished and fitted with central heating . There is a laundry room, communal lounge and an enclosed rear garden.

The project is staffed 24 hours a day. A manager/midwife is on duty from 0900-1700 hours Monday to Friday and on call at night and over the weekends. A domiciliary Health Visitor and the Family Planning Service also make regular visits.

A move on into Priory House can be offered once the baby reached 6 months of age and mum is coping well.

All residents will have access to St Basils support services including Learning Skills and Work service , Prevention Services and Resettlement and Floating Support services.
