

Support Services

Here you can find information about the on site support services that are available to young people whilst they are staying with us. The aim of these services is to help young people move onto independent living.

- **Learning Skills and Work** Includes, Lifeskill; STaMP Schools Mentoring and Training Project; education employment and training; information and guidance
- **Resettlement and Floating Support** Services for young people who are planning to move on and further support for those who already have.
